

**Re: 2025 Church Partnership**

We are so excited to tell you about the 4<sup>th</sup> Annual Grace Music Festival on July 19, 2025 in Harrison Township. We are an independent local non-profit 501(c)3 organization whose mission is to strengthen and unite the people of Macomb County and the surrounding Metro-Detroit area by providing a safe, family-focused event at Lake St. Clair Metropark/Metro Beach that allows people of all ages and denominations to experience the love and grace of God on a deeper level.

Our last festival was an impactful day, bringing families together and highlighting local Christian ministries. We had 7 artists/speakers, 25 vendors, 5 church partners, 5 radio partners, 27 corporate sponsors, 100 volunteers and countless testimonies of God's children experiencing His love and grace! Our past lineups have included local and national artists, a message, communion and a local church praise team. We highlighted many local non-profit organizations, bringing awareness to the hands and feet that are helping our community.

In exchange for your support of our mission, Grace Music Festival **will offer the following benefits to you** as a Festival Church Partner:

- 4 free festival tickets
- Website presence with your church's logo and a link to your website
- Social media recognition as a Church Partner (1 post before and 1 post after the festival). Your church will be listed on the Church Partner banner displayed at the festival
- Space to set up a 10x10 solid-colored tent at the festival (tent/tables/chairs NOT provided)
- We will provide a sign to display near your tent with your church name and city
- Option for discounted tickets to sell to your congregation (blocks of 25 at 10% off current price/no fee)
- Entrance for your Pastor(s) to our Clergy Appreciation tent at the festival

By becoming a Festival Church Partner, your church agrees to support our mission in any way you can. Some suggestions include:

- Pray that God will use the festival to bring hope, revival and unity to Metro-Detroit; and that hearts will be touched by the Gospel
- Financial support through your local outreach ministry budget
- Suggest Thrivent Choice Dollars and Action Teams be donated to Grace Music Festival
- Recruit volunteers
- Promote the festival to your congregation via website/bulletin/social media/email blast
- Video or live presentation during service
- Post our promotional flyer and pass out promotional materials
- Offer discounted ticket sales in lobby before and after service (% of sales to your church)
- Help identify local business owners to support the event through sponsorship
- Share your resources: Marketing/social media talent, Video and photography, Volunteer and event coordinators
