

Re: 2025 Church Partnership

We are so excited to tell you about the 4th Annual Grace Music Festival scheduled on July 19, 2025 in Harrison Township. The festival is organized by Grace Christian Events, Inc; an independent local 501(c)3 organization whose mission is to strengthen and unite the people of Macomb County and the surrounding Metro-Detroit area by providing a safe, family-focused event at Lake St. Clair Metropark/Metro Beach that allows people of all ages and denominations to experience the love and grace of God on a deeper level.

Our last festival was an impactful day of bringing families together and highlighting Christian ministries and vendors. We had 7 artists/speakers, 25 vendors, 5 church partners, 5 radio partners, 27 corporate sponsors, close to 100 volunteers and countless testimonies of God's children experiencing His love and grace! Our past lineups have included local and national artists as well as a message, communion and a local church praise team. We also highlighted local non-profit organizations, bringing awareness to the hands and feet that are impacting our community and our world.

In exchange for your support of our mission, Grace Music Festival **will offer the following benefits to you** as a Festival Church Partner:

- 4 free festival tickets
- Website presence with your church's logo and a link to your website
